

2017 Osaka Investment Promotion Seminar in Tokyo

Bay Area

Osaka is an attractive location for growing industries such as healthcare, medical and pharmaceutical industries. World top class corporations/organizations are densely concentrated in Osaka, especially in the above field.

Hirofumi Yoshimura, Mayor of Osaka City will present the high potentiality and attractive features of Osaka !

During the seminar, we will also explain about "Umekita Phase 2" development plan which is about to start very soon and another development plan of "Yumeshima" which is planned to be an important base for International Tourism in the future.

At the Networking meeting after the seminar, we will provide individual consultation to the participants who are interested in developing their business /establishing their business base in Osaka.
